PMP 5-Day v3.2 Cohort PMI Videos to Slide Deck Mapping

(Note: These PMI Videos are not the Spotlight videos from the Learner Kit)

GitHub – The video files are not available in GitHub or Percipio due to the size of the videos. Nor are the videos available in your Student Kit. Instead, you can access them in SharePoint in the **PMI Slide Deck Videos** folder.

Please note that every time you want access to SharePoint, copy the above link and paste it in your browser before pressing Enter. Because the link changes dynamically in SharePoint, do not bookmark the link in your browser. If you try using a bookmarked link you will not be able to access SharePoint. If you cannot access SharePoint from your work computer, try using your home computer. If you are on a VPN and cannot access SharePoint, try your connection without the VPN.
